

# WARLOCKS OF GHAUNADAUR

## ABOUT US

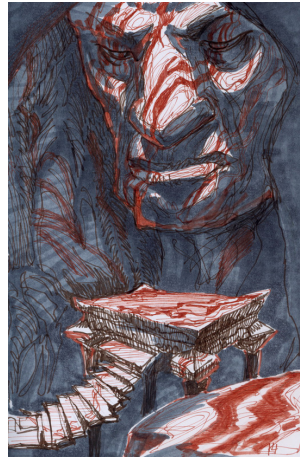

The Warlocks of Ghaunadaur are a select few individuals that have entered into a pact with the Great Old One. He has given us incredible power and in return he simply asks for our complete and utter loyalty.

## WHO IS GHAUNADAUR?

Ghaunadaur (gone-ah-dowr) is a greater deity and the god of abominations. Originally, Ghaunadaur was a member of the drow pantheon but following the War of the Spider Queen he left the pantheon to break off on his own. His portfolio includes slimy creatures, outcasts, and rebels.

Ghaunadaur is an unpredictable deity. False worshipers are sometimes rewarded by it, occasionally even with permanent magical boons, but they might just as well have been devoured by the Elder Eye without a second thought. Ghaunadaur enjoys watching large horrible monsters as they hunt and devour their prey, causing much suffering. When Ghaunadaur left the Inner Planes he was always silent, but some old records mention a gibbering and bestial language being spoken in the god's court. When communicating Ghaunadaur uses telepathy and keeps its conversations blunt and simple.

## WE HAVE PRAYERS AND SACRIFICES!

WE PRAY DAILY  
TO THE GREAT  
ONE AND GIVE  
HIM SACRIFICE!  
WHILE HE  
PREFERS LIVING  
SACRIFICES, HE  
WILL ACCEPT  
BONES AND FOOD  
BURNED IN OIL.  
WHO SAYS HE  
ISN'T ACCEPTING?

Note: If the worshiper can not deliver any offerings to Ghaunadaur, they are required to perform their prayer while holding one unprotected hand in an open flame.

## SEE THE WORLD AS YOU SPREAD THE MESSAGE!

Ghaunadar delights in the joys of others experiencing the world that he will one day claim upon his return. He only asks that you bring his message to everyone else that you meet on your journeys.

Note: Failure to spread the word of Ghaunadaur will result in your eternal suffering and torture when the Great Old One returns to the world to claim the souls of all!

## JOIN GHAUNADAUR NOW!

WHILE YOU STILL HAVE THE CHOICE!

"All creatures have their place, and all are fit to wield power. Those who hunt weed out the weak and strengthen the stock of all. Those who rebel or who walk apart find new ways and try new things and do most to advance their races. Creatures of power best house the energy of life, which Ghaunadaur reveres and represents. Make sacrifices to the Eye, persuade others to sacrifice themselves to Ghaunadaur or in service of the Eye, further knowledge and fear of Ghaunadaur, and in the end give yourself to Ghaunadaur in unresisting self-sacrifice. Convert all beings to the worship of Ghaunadaur. Slay all clergy of other faiths, plundering their temples and holdings for wealth to better your own lot and to further the worship of Ghaunadaur."
